## **Boston RV & Camping Expo Gives Back to Boston Neighborhoods Awards luncheon recognizes 27 Greater Boston nonprofits**

(Boston, MA) -- \$132,500 in community grants and \$7,500 in academic scholarships were presented to 28 Boston nonprofits and three Massachusetts hospitality students at an awards luncheon on Thursday, June 28, 2018, at the Boston Convention and Exhibition Center.

The awards were distributed from the Massachusetts Convention Center Authority's Community Partnership and Hospitality Scholarship Fund, a program funded by the Boston RV & Camping Expo, the New England International Auto Show and the New England Boat Show, events all held at the Boston Convention & Exhibition Center.

This year Paragon Group, producer of the RV Expo and Auto Show, proudly donated over \$100,000 to the Community Partnership and Hospitality Scholarship Fund.

Some of the beneficiary organizations included the Boston Center for Youth & Families, Boys & Girls Club of Dorchester, Charlestown Little League, Immigrant Family Services Institute, Jewish Community Housing for the Elderly, Mothers for Justice and Equality, Project D.E.E.P., Sociedad Latina and Write Boston.

"Since bringing our events to the BCEC, Paragon Group has contributed over \$1,000,000 to Boston's neighborhoods through this program," explained Garry Edgar, President. "We really value our partnership with the MCCA and the City of Boston. It allows us to entertain the general public while simultaneously give back to our community."

The Boston RV Expo is the region's largest recreational vehicle and camping show. The Expo showcases the latest models in recreational vehicles, fifth wheels, travel trailers and pop-up campers, offering Expo-Only deals along with camping accessory vendors. The event is sponsored by the New England RV Dealers Association and produced by Paragon Group.
